

## Quality Policy

Global Paper International was established in 1995 in Canada, specialized in Manufacturing Folding Cartons.

Our cornerstone values are the foundation of Global Paper International, that are used as guidelines when interacting with suppliers, customers and with one another.

At Global Paper International, we are highly committed to consistently providing products and services that exceed existing and prospective customers' needs, expectations, and requirements as well as all the legal, statutory, and regulatory applicable requirements.

Our Quality Management System is our commitment towards our customer service at the heart of everything we do, as well as the applicable ISO 9001:2015 Quality Management System requirements to continuously enhance customer satisfaction.

We are committed to continuously developing our employees' skills, their technical knowledge and expertise, and increasing their efficiency through specialized trainings, awareness sessions and workshops.

Global Paper International believes in collective success and thus, each department periodically reviews its objectives and goals to continually improve its effectiveness, leading to an entire improvement of Global Paper International.
